# WELCOME

*A place at the table. A chance to give hope.*

Welcome to A Harvest for Hope, the fourth annual fundraiser dinner benefiting Florence Nightingale Global Health (FNGH). Thank you for sharing this evening with us.

Tonight, we gather around a shared purpose: helping children and families in the Philippines access medical care, dental treatment and life-changing heart surgery.

Every guest, volunteer, auction donor and supporter adds something important to this work. Your generosity helps connect the care offered by medical professionals with the families who need it.

**Care ★ Compassion ★ Education ★ Training**

## Our host organization

Florence Nightingale Global Health was founded by Florence Allbaugh in 2014. FNGH brings healthcare, education and community partners together to support underserved communities.
